Two Great Events, One Worthy Cause!

*Hosted by The Bridges at Preston Crossings
Benefiting Operation FINALLY HOME*

Bluegreen Communities invites you to participate in two fun-filled events at The Bridges at Preston Crossings in Gunter, TX. On Friday, March 25, The Bridges will host a charity golf tournament at The Bridges Golf Club. Then, on Saturday, April 2, pro angler Jimmy Houston will emcee a charity fishing tournament at The Bridges' Double M Lake.

All proceeds from both events will benefit Operation FINALLY HOME. This incredible organization provides mortgage-free homes to wounded and disabled veterans and their families in an effort to get their lives back on track. Established in 2005 as a non-profit organization, Operation FINALLY HOME partners with corporate and individual contributors to help these severely wounded heroes and their families transition from the battlefield to the home front. Operation FINALLY HOME recently received national recognition when its founder, Dan Wallrath, was named one of CNN's Top 10 Heroes of 2010.

At this time, three homes are under construction for these deserving heroes at The Bridges, and two more will be awarded in 2011. Your participation and sponsorship in these events at The Bridges will help assist these American heroes in regaining their lives. It is a small thank you to these veterans who chose to stand in harm's way to protect our freedom.

Please look through the Sponsorship Packet and see how you can help. We also have a title sponsorship available below that will put you at the forefront of both events. Thank you for your support!

If you have any questions, contact Kristi Robinson with Bluegreen Communities at 972-965-7994 or kristi@bluegreenadvertising.com.
